JULY 1981

FROM THE PREZ. -----

Due to the fact that our glorious leader, TOM, is out of town and out of the country, there will be no inspirational words from him this month. He sends his best regards and apologies for no column and not being able to attend this months business meeting or this months fun filled trip to the mountains. He is hoping to return to the full swing by next month.

SWIMMING AND EATING FUN IN JUNE -----

The June swimming party saw a large number of club members turn out. The food was delicious and the water was cool, which made for a great day. Our thanks go out to Tom and Gracie for the use of their home and pool.

BUSINESS MEETING -----

Due to a low number turn out at the June Business Meeting, not too much work was done. It was suggested to have an ice cream social with homemade ice cream in August. It was learned that there are several ice cream makers in the membership but a place needs to be decided upon. We still are looking for suggestions for September.

The July Business Meeting will be held on Tuesday July 14th at Pizza Inn at 32nd Street and Indian School. Why don't you come on out and help plan the clubs activities. We will sit down to eat at 7:30 P.M. with the meeting starting about 8 P.M.. If you don't want to eat, come on out anyway and have a cold beer or a cold glass of ice tea.

TR AND PARTS FOR SALE -----

Wes Bryant has for sale his TR and manny many parts. He would like to sell this as one lump sum. He says he has over \$3000 in merchandise and his asking price is \$3000. For further information please contact Wes at his home at 985-3182.

LONDON BRIDGE -----

Don't forget to be making your plans for the trip to the London Bridge in October. Next month we will be taking reservations and making final preparations.

FUN IN THE MOUNTAINS IN JULY -----

The July activity will be a trip to the mountains on the weekend of July 18th and 19th. For further information please see the next page.

SHORT NEWSLETTER -----

This months newsletter will be short in content due to vacations and other various reasons. We are always looking for articles to print in the newsletter so don't be bashful.

----- JULY ACTIVITY SCHEDULE AND CHECK LIST -----

DATES, TIMES, AND LOCATION: You will find a map elsewhere in this newsletter giving directions to get to the cabin. If you want to travel with the caravan, they will be leaving at 7:30 P.M. on Friday July 17th from the gas station at Fountain Hills on Shea Blvd. You are welcome to come up at any time during the weekend. If you get lost, the phone number at the cabin is 535-4157 and if you have a CB, the cabin will be monitoring Channel 3.

PETS AND CHILDREN: Pets and children are welcome because this is a family outing. Please bring a leash for your pet because the area is not fenced in. There is playground equipment for the children.

THINGS TO DO IN THE AREA: There is fishing close by at Woods Canyon Lake. There is also hiking, horseshoes, volleyball, plus any game you want to bring. There is also plenty of room for just plain relazing.

SLEEPING ARRANGEMENTS: At this time we still have plenty of beds available but this will depend on the number of people that come. You might want to bring a couple of sleeping bags for your children or yourself. You will have to provide your own bedding for the beds. The beds are all of a double size.

Eggs, bacon or saugage, bread, chicken, beans, milk, soda pop, beer or booze, something for lunches(if you eat lunch), Miscellaneous items that you might want to bring are pop corn, marshmallows, or any other type of muchies you like.

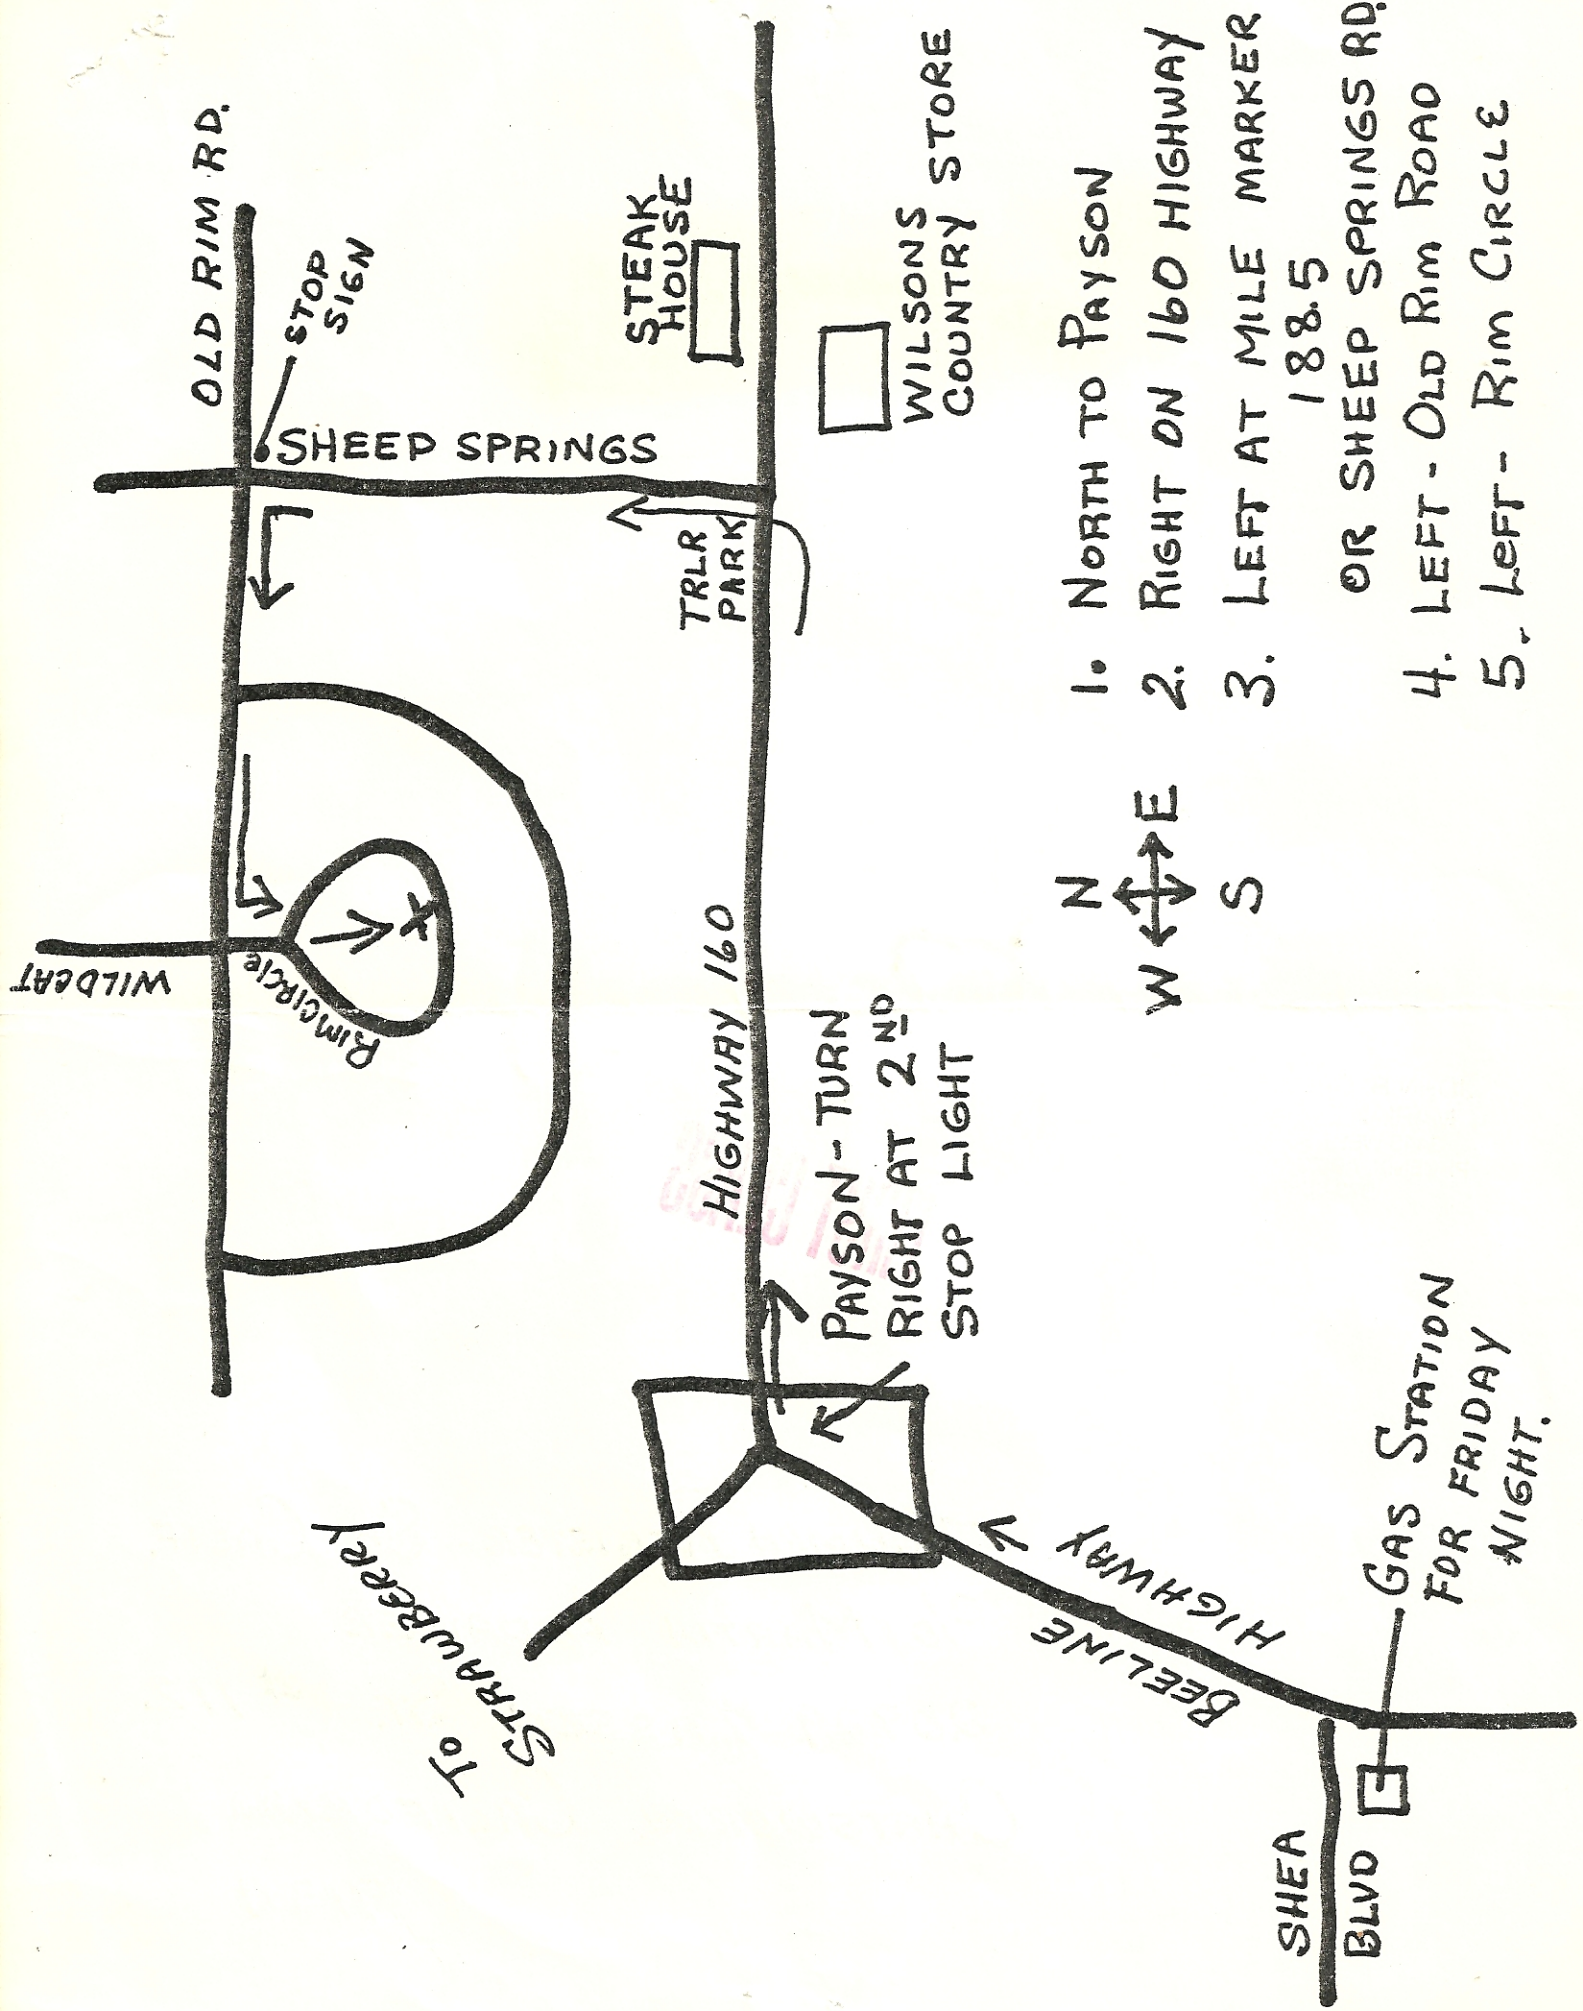

Please bring your own glasses and coffe cups. We will provide paper plates and silverware. The club will also provide the coffee and the pancakes for Sunday breakfast.

There are grocery stores and gas stations in the area in case you forget anything. If you have any questions please contact Dale Behie at 938-0933 or John Callen at 973-6680.
