\*\*\*\*\*

If you are not one of the several club members who have already signed up for the Lake Havasu and London Bridge trip, then you had better get on the ball before you miss out. September 30th is the deadline so grab the phone and call Tom Pennell at 971 - 4859. If you are not a DCTRA club member, you are also very much invited to join everyone on this trip. This would be a great opportunity to meet the club members who are people that have the same interest you have.

There will be two caravans leaving. The first one will depart from Smitty's parking lot at Bell Road and the freeway at 7 P.M. on Friday October 16th. The second caravan will leave from Smitty's parking lot at 7 A.M. If you do not wish to travel with the caravan, you are entirely welcome to leave at anytime you wish. If your TR is not capable of making the trip, then come along in the family car.

Arrangements have been made with the Shakespeare Inn in Lake Havasu City for special rates on a motel room. The rates are \$15 for one queen size bed and \$18 for two double size beds. The deposit that you have made goes towards your room rate.

Several special events have been planned including a special banquet ( \$7.09) Saturday night. There also has been several other events planned. It will be an exciting weekend for everyone. This is your chance to meet other TR owners and to exchange TR war stories. So call today and make your reservation before it is too late.

\*\*\*\*\* 1982 PLANS ARE LAID \*\*\*\*\*  
\*\*\*\*\*

Several club members got together on September 16th and planned the activities for 1982. Several activities are repeats of 1981 but there are also several new ones. The entire 1982 schedule will be presented at the Champagne Brunch in January. The schedule was planned at this time so that it will be in the sports car calendar for next year. We are sure you will be pleased with the schedule. There is something planned for every month.

\*\*\*\*\* NOVEMBER ACTIVITY \*\*\*\*\*

Since the weather will be really perfect and with the good turnout we had for the Spring Rallye, we will do it again. So come November 22nd to the " First Annual Fall Rallye To Picnic ". For those of you who attended the Spring Rallye, the rules and type of rallye will be about the same. For the novice drivers, the rallye is very easy to drive since it is not a speed race because you will only average 25 to 30 miles per hour or less. All you will need will be an ability to follow directions and someone in the car with you to read the directions to you. The rallye will end up at a local park for a picnic and awarding of the trophies. If you don't want to run in the rallye then plan on joining everyone at the park for a picnic. The rallye will start from the south east parking lot of Thomas Mall, 44th Street and Thomas Road, at 2 P.M. sharp. All entries should be there early to register. A small entry fee will be charged to cover the cost of the trophies. If you are just going to the picnic, come to Thomas Mall to learn where the park is. Remember, the rallye is not a speed race but just a nice easy drive through some of the beautiful city sights.
