***** MARCH ACTIVITY *****

A small but elite group dared the weatherman to make it rain by coming out to the 2nd Annual Spring Rallye To Picnic. The weatherman didn't take up the dare but he did make it partly cloudy with a little wind thrown in for good measure. The rallyists started out from the Thomas Mall and maneuvered their way through the course which took them up and down Camelback Mountain, sightseeing through some residential areas, up and down Dreamy Draw and finally ending up at Mountain View Park. Just to keep the driver and especially the navigator from getting bored, there were several questions to answer along the way. If that wasn't enough with all the questions and trying to keep up with all the turns, there was some scavenger hunt items to pick up along the way. Well the scavenger items didn't stump anyone and all the cars got through the course. It all boiled down as to the winners being decided by the questions. The first place winners were Rich and Barb Pace. The second place winners were Vern Zigler and Tom Pennell Jr. with third place going to Bev Johnson and Pete Peterson. A picnic topped off the day with good food, great conversation and some frisbee tossing. For those of you who weren't there, there isn't much to say that you missed a great time.
