JANUARY 1984

FROM THE PREZ.....

Well, here it is, folks! The LAST "From the Prez" column from your current Prez. It has b-en an exciting three years watching DCTRA grow and develop, and I wish to congratulate all of those individuals who have made it happen. It sometimes appears that an organization runs itself, but that is not the case. Your new president (and the other elected officials) will need everyone's assistance in the coming year. Remember DCTRA is YOUR club! If you have suggestions about events, parties, or just get-togethers, get in touch with the officers and let them know. No suggestion will be ignored. The basic charter of DCTRA is (and always has been) to provide a central forum for Arizona Triumph owners to meet and exchange ideas. The cars are part of the scene, but the PEOPLE are what it is all about.

Whatever you do, don't miss the 3rd Annual DCTRA CHAMPAGNE BRUNCH to be held starting at 10:30 A.M. at the POINT TAPATIO, 11111 N. 7th St. on Sunday, January 22, 1984. This event should NOT interfere with the Super Bowl. Club member and benefactor Jon Leet has once again prepared an excellent event and has held the cost to only \$5.00 per person. Believe me, you'll never get a better breakfast for less. In addition to the good food, there will be a meeting to elect the new officers, and some surprises.

WELCOME to new members: Hank and Sally Zarembo

Hank and Sally were members a couple of years ago, and have since completed the restoration of their 1956 TR3. We hope to see them soon.

What would this column be without racing news? The yellow Spitfire number 4 was terminally crashed at PIR on December 18. Thanks to adequate strength in the roll bar, the driver emerged unscathed except for a couple of shoulder-harness bruises. Look for a new racer in 1984.

The following members' dues are DUE! (The club treasurer will be in attendance at the Champagne Brunch.)
