President: Fred Peck
V.P. & Events: Tom Larson
Secretary: Sherry Sharp
Treasurer: Gracie Pennell
Newsletter Editor: Howard Hall
Membership Roster: Tom Pennell
Technical Advisor: Bob Shaller
Historian: Fred Peck

Presidents Report:

For those of you that didn't make the Champaign brunch, this column might be a surprise. I decided to run for President and was elected.

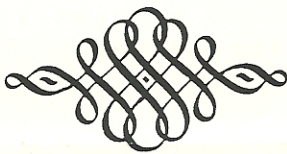

I wish to thank all who attended for their support of the club and it's activities, your participation is appreciated. The brunch was delicious. The champaign was cold and we assembled quite an impressive assortment of cars. For the first time in my three years association with the club, I saw with my very own eyes,

Digger actually driving one of his TR's. His smile was as wide as the windscreen. We saw some new faces at the brunch, including new members, prospective members, and existing members attending their first meeting.

Probably the hardest part of being President is remembering everyone's name. The club has grown so much in the last few years and I know for a fact that everybody isn't Digger Davitt. So please wear your name tags if you have one, and if you don't, be sure to order one at the next meeting. After all, what's a club without "dem stinkin' badges".

I'm looking forward to the coming year - Lots of great events. Some good food [not that I need it], and plenty of fun. After all, that's why we all drive these funny looking cars.
